To my family:

Luc-Olivier, Eléonore, Sammy, Adam, Jennifer, Patrick, Alison,
Dad and Mom.

To the bridge student:

This is an essential book for anybody starting to play the exciting game of bridge. From this moment on, any beginner will be indoors, playing a lot of bridge. Therefore, my artwork has been included so the beauty of the outdoors is not forgotten. Bridging lakes and streams and climbing mountains will be replaced with bridge cards and climbing the bidding ladder.

Here is my promise. When any player has mastered my books, I will want him as my partner, online or in person.
